

My Starlink Installer Site Survey

07/12/2022

Client Name: Elon Musk
Site Address: 503 SW 2nd Street, Cape Coral, FL 33991
Client Phone #: 239-772-0155
Client Email Address: Starlink@counterstrikes.com
Tech On Site: Shawn Olson

Download Speed (Mbps): 235 (Mbps)
Upload Speed (Mbps): 50 (Mbps)
Ping Time (ms): 29 (ms)

Best Dishy Install Location: NE Rear Corner of Home
Best Modem Location: Family Room cabinet
Cable(s) Needed for Installation: Starlink 150' Cable (\$93 - \$125)
Does this Application Require a Starlink Ethernet Adaptor?: Yes (\$25 - \$50)
Which Mount is best suited for this Install?: CounterStrike Custom Mount (\$299)

Other Recommendations: eero Mesh WiFi System, SONOS Music, Ring Video Doorbell

Tech notes: Met with client and did consultation we reviewed install location as well as cabling I also coached the client on ordering the correct parts from Starlink's website. Client will book our installation once he receives the Starlink kit. Will need eero Wi-Fi system to extend Wi-Fi through home.
